ABOUT MFSC

MFSC is a non-profit corporation founded in 1997 to promote the sport of figure skating in the Missoula valley. A seven member Board of Directors manages the Club. Directors are elected by the voting members of the Club at the annual Membership Meeting, usually held in June of each year. Directors serve two-year terms and are responsible for attending monthly Board meetings, possibly serving in an officer position, such as President, Vice-President, Treasurer or Secretary, and volunteering their time during MFSC programs and events.

CLUB ACTIVITIES

Annually MFSC purchases approximately 6-8 hours of ice time per week from GIR to run a variety of programs including "Learn to Skate" Basic Skills skating program for youth and adult skaters (figure skating as well as basic hockey skating skills), Club (or freestyle ice), the Glacier Challenge competition, test sessions and a variety of performances including Holiday on Ice, Spring Skating Spectacular and our annual Showcase on Ice. MFSC teaches the United States Figure Skating's Basic Skills skating program. "Learn to Skate" Basic Skills skating lessons are Saturday mornings. Please contact a Board member for more information or to volunteer for any of the above MFSC programs or events.

MFSC's CODE OF CONDUCT

Codes of Conduct for skaters and coaches are posted at www.missoulafsc.org and must be complied with as a condition of club membership.
